Teachers' Mixer Success—Churches of the city, represented by the Federation of Missions, extended the glad hand of welcome to more than 100 teachers of city schools Wednesday evening at a reception held at the Methodist church. The ball of congeniality was kept rolling all evening so that all knew "each other" long before the evening was at an end.

Mrs. George Jacobs, president of the Federation of Missions, acted as chairman of the committee which planned the mixer. She was assisted by the following women: Mesdames E. W. Allen, E. E. Hocking, E. J. Leiby, Reynolds, Robert Miller, Edward Hennings and Miss Elizabeth Patterson. Pastors and their wives, with a few representatives from every church in the city acted as a reception committee.

Autumn leaves and asters made the decorations for the Sunday school auditorium. Mesdames N. L. Sage and W. W. Woolf had charge of the decorations. Several novel stunts were put on during the evening under the direction of the activities committee which was composed of Rev. R. G. Pierson, L. A. Ruckman, and Miss Pauline Gatten. Names of people in the public eye were placed on all guests. Then a contest was held to see who could get the most leaves in five minutes. This required a general mixing of the crowd.

Supt. T. O. Holt proved himself the best mixer. Miss Marion Scanlon receiving second place, and J. Harker third. Another stunt which proved successful was the division of the guests into groups, each group representing a college or university. Dozens of various colleges were represented. Supt. T. O. Holt, J. A. Steiner, Dr. Lee Woodworth, J. W. Dady, Roger Cunningham, Rev. J. Hart, Theodore, Athlete, musical, and the best students from each school competed for honors. The city second, and Princeton and Wisconsin tied for third. Princeton, with Dean J. A. Steiner, was most vociferous in proclaiming its accomplishments.

Two vocal duets were sung by the Misses Nair and Edith Sorenson and Mrs. Verones gave two readings which were well received. For the purpose of getting the teachers acquainted with their own church members, groups were finally formed according to churches. Luncheon was served at the close of the evening.

Hollmer-Metcalf Wedding—Miss Amy Hollmer, daughter of John Hollmer, Appleton, and Winthrop Metcalf, son of Mr. and Mrs. G. A. Metcalf, 308 North Washington street, this city, were married at 1 o'clock Wednesday afternoon at the home of the bride's father.

Rev. Dr. Vaughn, Lawrence college, and Rev. Dr. Dinnett, formerly of this city, were officiating clergy. Mr. Geraldine Fuchs attended the bride. She is a sorority sister of the bride, who was a student at Lawrence college. Dr. Stanley Metcalf, this city, brother of the groom, was best man. The ceremony was performed before the fireplace, which was banked with chrysanthemums. Throughout the home, autumn flowers and leaves were used in decoration. As the bride party took their places, Miss Doris Freeman played Lohengrin's "Wedding March." The bride wore a heavy colored suit and a corsage of Ophelia roses. Her bridesmaid was attired in a blue traveling suit with a corsage of Columbia roses.

Luncheon was served at 2 o'clock. The bride party of ten was seated at one large table, around which smaller tables were placed. A large mound of yellow chrysanthemums was the centerpiece for the bride's table. Baskets of yellow and white flowers decorated the other tables. Forty guests attended. Among them were Mr. and Mrs. G. A. Metcalf, Miss Doris Amerphol, and Dr. Stanley Metcalf, this city.

After an automobile trip Mr. and Mrs. Metcalf will make their home in this city at 921 Sherman avenue. The groom is employed in the accounting department at the Samson Tractor company.

The ceremony was performed at 7:30 o'clock with Rev. E. A. T. Treu officiating. Miss Elsie Caradine, attended the bride as maid of honor and bridesmaid. They wore gowns of pink organdie. The bride's gown was of white georgette. She wore a tulle veil with a wreath of orange blossoms and carried a bouquet of the same. Jesse Dabson, brother of the groom, was best man and Otto Westendorf, brother of the bride, was groomsmen.

Sixty guests attended the reception and supper held after the ceremony at the Westendorf home. A supper at 8 o'clock with six tables was served at the home. The friends of the bride, Miss Alice and Myrtle were the Misses and Selma Grunzel, Dr. Klein, Leon and Selma Grunzel, Dr. Westendorf and Pearl Dabson. Mr. and Mrs. Dabson will make their home at 184 Locust street.

# GULBRANSEN

(Pronounced Gul-BRAN-sen)

## Player-Piano

### The Gulbransen Reads the Music and Strikes the Notes While You Put In the Expression—Fast, Slow, Loud, Soft

THE Gulbransen Player-Piano is a musical instrument which you may play well or play poorly. It is easy to play well; but playing it well requires some study and practice—about as much as learning to drive a car.

We emphasize this to encourage better playing. The Gulbransen can be played as artistically by roll as by hand. Thousands of owners play delightfully. Some, like John Martin, are such masters of "pedal-touch" and accent that they play with all the exquisite shading and phrasing of concert pianists.

## Ten Years or Ten Weeks

The mere possession of a Gulbransen gives you all the technique that ten years of practice gives the hand performer. And then, in weeks instead of years, you can learn to play with the expression which makes music so satisfying.

A really brilliant ability on the Gulbransen is easily acquired if you have a "feeling" for music—the "feeling" which gives you a thrill from the military band on parade or a lump in your throat from a song filled with pathos. And this easily acquired ability is a never ending source of comfort and delight to you and all who know you.

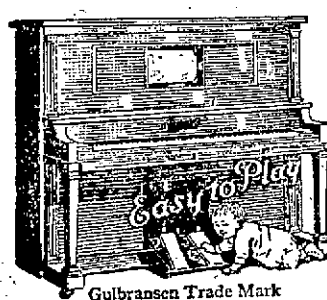

## Easy to Play

Have you ever tried a Gulbransen? It will astonish you by its easy playing. Look up the Gulbransen Dealer near you, named below. You have probably noticed the "Baby at the Pedals" actually playing the Gulbransen—in his window. Write us for our free book, "Good Times with Your Gulbransen." Tells about the many kinds of music you can play and the fun you can have.

### MORE REGISTER AT NIGHT SCHOOL

Nearly 50 more have registered for night classes in the vocational school since registration Monday night, according to J. M. Dorrans, who has the school in charge. Classes in shop drawing, sewing, cooking and typewriting are closed because of over-enrollment. In every case there is a waiting list of from four to ten of those who desire to take the course.

The cooking classes are composed largely of young married women and nurses from Mercy hospital. Arrangements have been made this year whereby mothers can bring their young children to school with them and have them cared for during classes. The enrollment in the Spanish

class which was only seven on the opening night, has increased to 15 and many more have signed their intention of attending. The total enrollment for all classes today numbers over 250.

## The Letters of Tessie and Joe

DEAR TESSIE:

Yours received and contents enjoyed to the full, as usual. But say, Tessie, never mind trying your luck on making me any more shirts, as you threaten you might. One of the greatest of the arts is to know the proper time to be discouraged, and I'm fully convinced you have a perfect legal right to feel discouraged as a result of those two pink shirts you made for me. "If at first you don't succeed try try again" may be a first class battle cry in its place, but one of the subjects it don't apply to is men's shirts.

And besides, when all's said and done, I'm a great believer in a woman limiting her decorating attempts, as far as her husband is concerned, to the interior decoration that starts in the kitchen. Look at Ed Judge. His wife won't let him wear any necktie that she hasn't personally selected with her own eagle eye, and Ed Judge is the most self-conscious looking man around the neck that I've ever saw.

I admit I generally ask you to come along when I go to buy a new suit, but that's mainly because you've got more crust than I have when it comes to telling the salesman to trot out more samples after he's already dug out about fifteen suits from the bottom of fifteen piles. I don't know why they always prefer the manual labor of hauling them from the bottom instead of lifting them gracefully off the top, but they do, and after all maybe it's the only exercise a clothing salesman gets.

And on the vice versa, what's fair for the gander is sauce for the goose and you know when you trap me into a millinery store and ask me which hat you should take out of a possible fifteen, you only do it to make my palm easier to bear after you've made your own selection and I have to pay the bill.

Give my love to the baby and shall I send him a kiddie car?

JOE.

(Tomorrow Tessie touches on various subjects, such as stoutness and the public demeanor of enraged couples.)

MILTON COLLEGE  
STUDENTS TO STAGE  
BAG RUSH TODAY

Milton, Oct. 7.—The question of lower class supremacy at Milton college will be definitely settled late this afternoon when the freshmen and sophomores engage in a formal bag rush in Village park. This rush, which is to be held under the supervision of the juniors and seniors, will bring to a close the annual "scrapping" period between first and second year students.

Tuesday was an eventful day for both classes. After the freshmen had broken into the office of the Milton College Review at night and captured two sophomores who were helping a group of students fold and mail the college weekly, the sophomores retaliated by getting out their automobiles and rounding up three leaders of the freshman class. The two sophomores, A. H. Babcock, North Loup, Neb., and A. M. Mills, Milton, were taken in autos to Janesville, where they were divested of their shoes and socks and conducted barefoot into an ice cream parlor.

Barlow Spoon '23, Janesville, was pulled out of bed by a group of Miltonians and, with E. C. Shumway, Milton, L. N. Dunwiddie, Mineral Point, and C. A. Baker, Milton Junction, taken by auto to a point about three miles northeast of Milton. There the second year students dropped the captured freshmen and sped back to the college in time to get a few hours of sleep before 7:30 classes.

Should the freshmen be defeated in the class rush this afternoon, they will be compelled to wear green caps during the college year.

Fond du Lac.—T. F. Sheridani, was elected president of the Fond du Lac board of the county society extended an invitation to the Chippewa Falls Equity to merge with the Fond du Lac bureau.

The animal, "Belmont Ranger," is a son of the famous "Belmont Buster," first prize boar at Illinois state fair in 1917. He is from a grand-dam of "Gersidale Jones," the foundation boar of the present type of big Poland China hogs. His sire is a brother to big "Belmont Buster," who recently sold to Palmer Bros., Yorkville, Ill., for \$10,000; also to "Great Big Buster," the \$5,000 boar belonging to Oscar Hense.

## RISH TO RAISE \$10,000 IN CITY

Quota of This City for the Ten Million Dollar Irish Freedom Fund.

Ten thousand dollars is to be raised as Jansville's quota of the ten million dollar campaign being conducted in the United States for the Irish bond loan.

An enthusiastic meeting in the Eagles hall annex last night a committee with James Sheridan as chairman, C. MacWilliams, secretary, and J. T. Cullen, treasurer, were elected by the 150 men and women present to take charge of the campaign. A committee of five will be appointed to care for the sale of the bonds.

The meeting was opened with two Irish songs by Theodore Davey, accompanied by Boyd Hill at the piano. The chief speaker of the evening was J. J. Hayes of Newark, N. J., who made an interesting talk of the "Irish Bond Loan." It was met with hearty applause. Other addresses were made by C. MacWilliams, an attorney of this city, and W. H. Dougherty.

A delegation from Jansville will go to Detroit this evening to hear Lawrence Ginnell, of Ireland, former member of parliament, who was imprisoned for his utterances in support of Irish freedom.

## ANOTHER EDGERTON COUPLE WEDDED

(By Gazette Correspondent.)

Edgerton. Thursday afternoon Miss Alma Edgerton and Harry Edgerton were united in marriage by the Rev. E. A. Greithen at the Scandinavian Lutheran church, which was beautifully decorated for the occasion. After the ceremony a wedding dinner was served in the church basement, at which upwards of 125 guests were present. After a short wedding journey the couple will return to Edgerton and make their future home.

A regular meeting of the American Legion will be held in the club rooms Friday evening. Applications for membership will be received and can be obtained and filled out at that time.

Miss Dorothy Fenske was taken to Mercy hospital this evening for an operation and submitted to an operation for appendicitis.

## HORSES RUN WILD DAMAGING 3 CARS

Two horses hitched to a wagon of the Jansville Delivery company standing in front of the Universal Grocery company on South Main street at nine o'clock this morning ran away. The team crashed into the side of a truck owned by the New Gas Light company, parked in front of its offices on North Main.

The impact jammed the car up against the sedan of Dr. M. A. Cunningham which in turn smashed the Ford of the Gazette jamming the steering gear. One of the team, a blind horse, climbed on top of the motor of the Gas company car and fell sprawling back into the street. The damage to the three Fords is approximately \$125.

## DOZEN CHICKS ARE STOLEN NEAR CITY

A dozen chickens were stolen Saturday night from Joseph Schindler, a farmer living just outside the city limits on the Mineral Point avenue highway route. Four days of investigation has failed to develop anything other than that Schindler denies the party that Clifford Drew had any part in it.

"That story about Drew having taken them was hatched up by school children," he said. "There is no truth in it. Drew had nothing to do with it."

70 POSITIONS FILLED.

During the month of September nearly 70 positions for laborers were filled by R. T. Glasco, county agricultural agent. The demand for farm labor usually exceeds the supply, there being at present about 25 positions open, according to Mr. Glasco.

CORRECTION

## BELOIT DETECTIVE INDICTED BY GRAND JURY AT ROCKFORD

Don Torrisi, Beloit detective, widely known in Rock county and especially in Jansville, where he has assisted in several criminal investigations, is under indictment by the Winnebago county grand jury at Rockford. Four joint indictments were returned yesterday charging Torrisi and Julian Bernacchi, Chicago detective, with assault on a prisoner in an alleged "third degree" performance. Torrisi's bond is \$8,000.

The charges against Torrisi and Bernacchi are an outgrowth of complaints made by Vito Artellaro, held under suspicion in a Rockford jail, and Galigero Basilio and Joe Pruzzato. Artellaro declared Torrisi assaulted him with a screw-driver during a "third degree" session in the presence of Stage's Attorney John D. Dore and a Rockford attorney, who were said to have confessed to the murder of Frank Pearce in South Bend, Ind., with Torrisi and Bernacchi. Torrisi has entered denials that he assaulted either of the three men.

## GRAIN

Chicago, Oct. 7.—Wheat strength de-  
veloped in the wheat market today,  
with lack of selling pressure rather  
than any great buying apparently re-  
sponsible. Most of the trade was in  
small lots. Opening prices, which  
varied from 1 1/2c to 1 1/2c advance,  
with December \$1.09 1/2, and March  
\$1.10 1/2, were followed by narrow  
trading all around.

Corn firm up with wheat, starting  
at 1 1/2c to 1 1/2c advance, December  
85 1/2c to 87 1/2c, and undergoing a  
slight general rise, but then "sling-  
ing" above yesterday's finish.  
The opening ranged from  
1 1/2c to 1 1/2c higher, December 52 1/2c  
and March 53 1/2c, with the latter  
closing at 53 1/2c.

Higher quotations on hogs helped  
to lift provisions.

Wall Street Review.

New York, Oct. 7.—Attacks by  
shorts featured today's market ses-  
sion, affecting variable and in the  
afternoon some decline among in-  
dustrial, shipping, low priced rails  
and specialties. Steels, equipments  
and oils fell 1 to 2 points and

Reading and minor rails lost 1 to 1 1/2  
points. Sears Roebuck dropped  
1 1/2 points on rumors that lower divi-  
dends may accompany the new financ-  
ing. The market rallied slightly be-  
fore noon in response to a demand for  
dividend paying rails, especially Pa-  
cifics, Atchafalpa, Great Northern, New  
York Central, Lehigh Valley, and  
Chesapeake and Ohio, which rose 1 to  
3 points. The money market was un-  
changed, call loans opening at 7 per  
cent.

Fixed buying and selling orders  
chiefly in rails and oils, accounted  
largely for the further irregularity of  
prices at the opening of today's ses-  
sion. An early gain in Southern  
Pacific of 1 1/2 was offset by a loss of  
1 1/2 in Great Northern. Crucible  
Steel, Baldwin Locomotive, American  
Tobacco and Retail Stores were among  
firm to strong issues.

Equipments and steels rose briskly  
in the last hour while oils and rails  
were 1 to 2 points under their best  
prices. The closing was irregular.
